Report of the Executive Committee Con sidered in Committee of the Whole and Convention.

To say that a great deal was accomtion held yesterday would be to make an resorted to to keep the report of the committee on public buildings, etc., being made a special order. It remains on the file as numbered and will be called up in regular order. Indeed, it seems now as if the file will be considered from day to day as numbered. Burleigh introduced a resolution limiting debates in committe of the whole to five minutes, which was referred to the committee on rules, and which, if it become

The convention met promptly at 4 o'clock, President Clark in the chair. Roll call and prayer by the chaplain. The journal was read and approved.

a law, will facilitate the transaction of

Leave of absence was granted to Dyer, Middleton and Bullard until to-day. J. K. Toole presented a communication from the Montana Society of Civil Engineers in reference to irrigation, asking for the creation of the office of state engineer, to be appointed by the governor by and with the consent of the senate. Received and referred to the committee on trigation. with the consent of the senate. Received and referred to the committee on irrigation. President Clark read a communication from Mr. and Mrs. A. J. Seligman, inviting the convention to be present at a reception to be given at their residence, No. 802 Madison avenue, Saturday, August 3, from 7 o'clock to 10 o'clock p. m.

Burleigh offered a resolution limiting debates in committee of the whole to five matter.

Knowles sa

Olution passed.
Cooper, chairman of committee of the whole on proposition 14, suffrage, reported the proposition back as amended, and the report was deferred until to-day on motion of Burleigh.

J. K. Toole asked unanimous consent to

Toole's motion was put and lost.

arren's amendment, which was put and st. Ayes 27, noes 36, absent 12.

the legislative assembly the power to fix the compensation of state officers, instead of fixing the same by the constitution.

Clark seconded the amendment. He thought the legislature should have the authority to fix salaries.

Burleigh opposed. He hoped the report of the committee would be accepted.

Maginnis said if Goddard's amendment was adopted then there should be another amendment that the salaries should not be with the recommendation that it pass as sufficiently to enable him to return to Montana and the first for \$300 the legislature convention may appoint a state examiner, by and with consistency and with consent of the senate, whose duties it shall be to examine the accounts of the state treasurers. It was defray his expenses. Young Preston schrowledges the receipt of the money from St. Paul, and expresses heartfelt thankfulness. The sight of one eye is gone, while it is dim in the other. Preston is now at Laclede, Mo., at his home, and his many friends hope that he will recover sufficiently to enable him to return to Montana and the same of the same by the constitution.

Rickards moved that when the committee arise it report back proposition No. 10, with the recommendation that it pass as Maginnis said if Goddard's amendment was adopted then there should be another amendment that the salaries should not be with the recommendation that it pass as tana soon.

with the recommendation that it pass as increased or diminished during their terms of office.

Goddard's amendment was put and lost. Reek moved to change the salary of the superintendent of public instruction to \$3,000 instead of \$2,500.

binson opposed the amendment. He said the office was a mere sinecure. It served but one purpose, and that was the harmony of the system. The duties were nominal and did not require one month a year to perform the duties. The work depends on the salar served but one purpose, and that was the harmony of the system. It is salar served by making the salar \$4,000 instead of \$5,000.

Maginnis moved to adjust to take snap judg bers absent. olved upon the county superintendents. He knew where the state superintendent ould visit a county about once a year liver a stereotyped lecture and take his de-parture. The office of state superintend-ent was of very small importance and did

mittee would prevail, as he was opposed to niggardly salaries. The poor and honora able man should have a chance for official honors as well as the bloated bondholders.

Brought Up Fails.

Siderations. He was in target of the committee.

Carpenter's substitute was lost.
Callaway offered an amendment to section 8, in substance that the governor shall have power to grant pardons except for treason and impeachment. The reason he offered the amendment was that he wanted no pardon for one who lifted his hand against his country, or one who had so far forgotten himself as to be impeached and convicted. The motion was put and lost.
Section 8 was the amendment to section 8, in substance that the governor shall have power to grant pardons except for treason he offered the amendment was that he wanted no pardon for one who lifted his hand against his country, or one who had so far forgotten himself as to be impeached and convicted. The motion was put and lost.
Section 8 was the amendment to section 8, in substance that the governor shall have power to grant pardons except for treason he offered the amendment was that he wanted in the city yesterday, and was taken in charge by ex-Gov. Hauser, whose guest he will be during his visit, which will last for several days.

To an INDEPENDENT reporter Senator Plumb said, last evening, that this was his first visit to Helena.

Senator P. B. Plumb, of Kansas, arrived in the city yesterday, and was taken in charge by ex-Gov. Hauser, whose guest he will be during his visit, which will last for several days.

To an INDEPENDENT reporter Senator Plumb said, last evening, that this was his first visit to Helena.

Hershfield offered as an additional clause that the governor should have the authority to suspend the treasurer during recess and for thirty days after the commencement of the legislature; provided he became aware of wrong doing on the part of the treasurer. It was temporarily withdrawn. Rickards moved the committee rise, report progress and ask to sit again. Carried.

assertion not borne out by the report of the proceedings. Parliamentary tactics were proceedings. Parliamentary tactics were should be taken up.

making two-thirds of the members present

the United States required two-thirds of

Maginnis said that was interpreted by congress to two-thirds of a quorum.

Winston's amendment was put and lost. On motion of Clark "noes" was changed to "nays" in the eighth line of section 11. Goddard moved to strike out section 18. relative to the governor keeping accounts of all moneys disbursed by the state officers, on the ground that it was pure legislation. Middleton supported Goddard's motion. Burleigh said it was an indispensable

debates in committee of the whole to five minutes.

Toole moved to refer to committee on rules.

Kennedy amended to report by to-day. The amendment was accepted and the resolution passed.

Toole moved to refer to committee on the duties of the executive officers of the state, and it was in the province of the constitution to adopt such a section. He hoped the section passed.

Goddard's motion was put and lost.

J. K. Toole asked unanimous consent to make a report on legislative department, which was granted. The report was in reference to Watson's resolution, and the committee reported recommending that it do not pass. Went over under the rules.

J. R. Toole moved that proposition No. 18, public buildings, etc., be made the general order for Wednesday at 10 o'clock.

J. K. Toole moved to amend to postpone the consideration of proposition No. 18 until after the consideration and final passage of all propositions now pending. Mr. Toole important formers in the state treasurer was the most important formers in the recess of the Union Pacific were personally interested in the Omaha and Kansas City smelters. And, perhaps, after all, as wise a plan as any would be to give Union Pacific officials an interest in the Salt Lake sm-lters. Then justice would be done this region.

Senator Plumb is a G. A. R. man, and not with the nation's affairs, is a thoroughly unassuming and sociable gentleman and looks nothing like the cartoon purported to represent him that appeared in the Omaha and Kansas City smelters. And, perhaps, after all, as wise a plan as any would be to give Union Pacific officials an interest in the Salt Lake sm-lters. Then justice would be done this region.

A SENATORIAL VISITOR

ided.

Collins, chairman of the committee of the whole, reported and the committee re
mittee was to collect statistics and ascertain all the facts of the condition of the said lands in the northwest territories, also the amount of water available for irrigations.

Col. W. B. Hundley returned from the effect east Sunday, and wore a weatherbeaten Kentucky Derby hat. He was busy on motion of Maginnis the convention took a recess until 8 o'clock with the understanding that the same proposition should be taken up.

Evening Sessien.

On reconvening president Clark announced that further consideration of proposition No. 10 was in order. Collins

making two-thirds of the members present in either house to override the veto of the governor it should require two-thirds of the members-elect.

Burleigh called attention to a rule of congress which required only two-thirds of the members present.

Maginnis said the committee had been very liberal with the governor and hoped the section would stand.

Maginnis would stand.

Medical section would stand.

Teservoirs.

Senator Plumb is interested in the Moulton Mining company at Butte, and is, in sympathy with the mining interests of the northwest. Upon the subject of politics he had but little to say, only that he hoped Montana would go republican at the next election. He was aware that she gave a republican at the next election. He was aware that she gave a republican oid stakes at Westchester, which will be frun on August 20. Asked if Spokane was the foundation of the Moulton Increase the Mr. Armstrong was anxious to ship the horse to St. Paul just to please the people who would be there to see the double Derby winner, but Col. Hundley and the trainer made him abandon this idea. Spokane is now at Saratoga and will run this week, and his next prominent appearance will be for the valuable 3-year-oid stakes at Westchester, which will be run on August 20. Asked if Spokane was the standard to ship the horse to St. Paul just to please the people who would be there to see the double Derby winner, but Col. Hundley and the trainer made him abandon this idea. Spokane is now at Saratoga and will run this week, and his next prominent to ship the people who would be there to see the double Derby winner, but Col. Hundley and the trainer made him abandon this idea. Spokane is now at Saratoga and will run this week, and his next prominent to ship the horse to St. Paul just to please the double Derby winner, but Col. Hundley and the trainer made him abandon this idea. Spokane is now at Saratoga and will run this week, and his run this week, and his to ship the horse to St. Paul just to please the double Derby winner, but Col. H fall, and was also aware that at the election fail, and was also aware that at the election for constitutional convention delegates she elected a democratic majority. He said politics at present were the least of his troubles, and that he is no more posted on the situation than he is of China's political complexion. While in Sait Lake a few days ago the senator expressed some views on the matter of freight rates on ores shipped to Omaha and Kansas City smelters which covers the Montana situation exactly in the matter of ores shipped to the Montana smelters. It costs about as much to ship ore to Denver and Omaha as it does to any Montana smelter. Hartman thought that the section was superfluous, and Callaway supported it. Goddard supported his motion, as did Hershfield, who said it was simply lumbering up the constitution with superfluous matter.

Knowles said the section prescribed the Knowles said the section prescribed the could be shipped to the river from the could Knowles said the section prescribed the duties of the executive officers of the state, and it was in the province of the constitution to adopt such a section. He hoped the section would be retained.

Goddard's motion was put and lost.

A safeguard.

THE WEST GRANITE.

Collin's moved to amend Mayger's amendment by substituting \$2,500, for \$4,000. He said the duties of the office of serial was written yesterday and an addifavor of amending by cutting the salary down to \$1,000.

Reek's amendment to increase the salary to \$8,000 was put and lost.

Maginnis moved that the salary of no official should be increased during his term of office.

Craven said there was no necessity of the amendment, as it was covered in the article on legislative department.

The motion of Maginnis was put and carried.

Robinson moved to make the salary of the governor \$4,000 instead of \$5,000.

Hershfield moved to amend by making it \$8,500. Robinson accepted the amendment.

Luce moved to make it \$4,000.

Hershfield withdraw his amendment in favor of Luce.

Rickards boped the report of the committee would prevail, as he was opposed to mittee would prevail, as he was opposed to mittee would prevail, as he was opposed to make it \$4,000.

Reek's amendment to increase the salary of connected with it. We should only pay for the services we get.

The gist of Collins' remarks, Maginnis saturday, didn't register at a hotel and yesterday attended a meeting of the trustees of the West Granite Mountain Mining company. The meeting as week ago, for the purpose of receiving propositions of the estockholders at their meeting a week ago, for the purpose of receiving propositions was one from St. Louis offering to pay the company's property. Among the propositions was one from St. Louis offering the proposition of the governor of Luce.

Rickards boped the report of the committee, would move that the salary of \$5,000.

Rickards took the ground that \$5,000 was little enough for the governor on Montana. He believed in paying a liberal salary to the committee, was that nobody but a rich man said, was that nobody but a rich man said, was that nobody but a rich man said, was that nobody but a rich man stand the follow of governor. This would knock out every poor man. The salary of \$5,000, as fixed by the committee, was little enough for the entertain royally, so as to make the office a stepping stone for the governor of the governor of the governor of the governor of the govern

ond stakes at westenester, which will be run on August 20. Asked if Spokane was for sale, he said he was not. It was the first racehorse Montana ever produced, and he would continue a Montana property. It is expected Spokane will win plenty of money before the season is over. A num-ber of fancy offers were made for the ber of fancy offers were made for the horse, but they were as promptly refused, and Spokane is not for sale.

Francis Pope, secretary of the M. A. M. & M. A., returned from St. Paul Sunday evening and speaks in praise of the Twin City Jockey club's meeting. H. R. Baker, he said, is out of luck with his stable. The trouble was he did not start for St. Paul early enough to work his horses and when he did get there the track seemed to be always occupied by trotters, the result being that the runners had but little opportunity to work. The climate didn't portunity to work. The climate di agree with them either and when X Nevada were there a few days got off and were utterly unfit to race. Pope says that X was a sure winner of the Derby if in condition, as he has done as good and better than 2:10 while working on the Helena track. When the ho the mile post X was in the lead, but being unfit he fell back at the hot pace and came in last, Mr. Pope said the Twin City Derby was run in no better than 2:11; he timed the race and so did many others with the same result. He notices owever, that it seemed to be th of the timers to give the track from a half to one second better than the time made in nearly every race. Speaking of Nevada, he said Mr. Baker was very much disap-pointed at his luck, as with her in condi-tion he expected to win the Twin City Ex-position stakes.
